

Fumigation business & Pre-Audit MAFAS Scheme 13 January, 2009 (Tuesday)

Dear Valued Members, Associates & friends,

One of the important functions of The Pest Control Association of Malaysia (PCAM) is to provide short educational courses to cater to the needs of the Pest Control Industry, especially our Members.

To-date since 2006, PCAM had organized 11 short courses namely:

1. Comprehensive Fumigation course 1 - May,2006
2. Comprehensive Fumigation course 2 - May,2006
3. Pesticide Applicators License course - September,2006
4. Customer Care and Service skills - November,2006
5. Green Card Compliance (CIDB) - January, 2007
6. Pesticide Applicators License Course – Mar 2007
7. IPM & HACCP in Food Industry (AIB) – May 2007
8. Pesticide Applicators License Course - Aug.2007
9. Effective Communication Course - Nov.2007
10. PAL/APAL License course - Mar. 2008
11. PAL/APAL License Course - Oct.2008

As you are fully aware, all fumigators and their technicians are required to be licensed to practice fumigation business & its operations especially fumigants usage & its application. With this objective in mind, PCAM once again is conducting this program to prepare personnel to increase their technical knowledge on fumigation.

PCAM requires all to register first before the course can be conducted at PCAM. Closing date for registration is **12 Dec.'08**. **Do register early as the seats are limited to 25 pax only. PCAM looks forward to member's participation organized for You!**

Best Regards,
