

FUMIGATION EXAMINATION PREPARATION 15 & 16 July 2011 (Fri & Sat)

Dear Valued Members, Associates & friends,

One of the important functions of The Pest Control Association of Malaysia (PCAM) is to provide short educational courses to cater to the needs of the Pest Control Industry, especially our Members. Since 2006 until to-date, PCAM had organized 19 short courses for Members namely:

1. Comprehensive Fumigation course 1 &2 - May,2006
2. Pesticide Applicators License course - September,2006
3. Customer Care and Service skills - November,2006
4. Green Card Compliance (CIDB) - January, 2007
5. Pesticide Applicators License Course - Mar & Aug, 2007
6. IPM & HACCP in Food Industry (AIB) –May, 2007
8. Pesticide Applicators License Course – Aug, 2007
9. Effective Communication Course – Nov, 2007
10. PAL/APAL License Course – Mar & Oct 2008
11. PAL/APAL License Course – Mar & Aug, 2010
12. Good Manufacturing Practices (GMP) - Jul & Dec 2010
13. PAL/APAL License Course – Mar & April, 2011
14. Good Manufacturing Practices (GMP) - May & June 2011

As you are fully aware, all fumigators and their technicians are required to be licensed to practice fumigation business & its operations especially fumigants usage & its application. With this objective in mind, PCAM once again is conducting this program to prepare personnel to increase their technical knowledge on fumigation.

PCAM requires all to register first before the course can be conducted at PCAM. Closing date for registration is **8 July 2011**. **Do register early as the seats are limited to 20 paxs only. PCAM looks forward to member's participation organized for You!**

Best Regards, Johnny J.L.Ooi
PCAM VP-Project Development
