PCAM GET TOGETHER DINNER

January 13, 2012

**Grand Olympic Hotel
Jalan Hang Jebat
50150 Kuala Lumpur**

Welcome

Dear Fellow PCOs and Friends,

The PCAM Exco- Committee for the Term 2011/2013 have planed and organised a Get Together Dinner. In conjunction with this, we have also planned a half Day seminar for the pest control industry to provide updates form the government on issues relating to the pest control industry such as updates on the **Pest Control Rules by the Pesticide Board** and **CHEMICAL HEALTH RISK ASSESSMENT (CHRA)** awareness campaign by DOSH.

It is felt that the Pest Control industry needs to have a get together for network and fellowship. The ultimate goal is to **make the PCAM friendlier with the government** in order to work for the betterment of the industry and to ensure that **our suppliers and industry supporters are recognised as part of the “team” that supports each pest control company and a friend of the industry** irrespective of the commercial background and products.

We are inviting you to be a part of the PCAM's effort and the purpose of this **PCAM Get Together Dinner** is to gather the pest control companies from all over the country to meet and learn and to know of the latest developments of the Malaysian Pest Control Industry

Contact us:
Pest Control Association of Malaysia
40C, 2nd floor, Jalan Perdana 10/12, Pandan Perdana
55300 Kuala Lumpur
