

Pesticide Applicators License (PAL) & Assistant Pesticide Applicators License (APAL) Program

17 & 18 March, 2007 (Monday & Tuesday)

Dear Valued Members, Associates & friends,

One of the important functions of The Pest Control Association of Malaysia (PCAM) is to provide short educational courses to cater to the needs of the Pest Control Industry, especially our Members.

To-date since 2006, PCAM had organized 9 short courses namely:

1. Comprehensive Fumigation course 1 - May,2006
2. Comprehensive Fumigation course 2 - May,2006
3. Pesticide Applicators License course - September,2006
4. Customer Care and Service skills - November,2006
5. Green Card Compliance (CIDB) - January, 2007
6. Pesticide Applicators License Course – Mar 2007
7. IPM & HACCP in Food Industry (AIB) – May 2007
8. Pesticide Applicators License Course - Aug.2007
9. Effective Communication Course - Nov.2007

As you are fully aware, Pest Control Operators and their technicians are required to be licensed to practice pest control business & its operations especially pesticides usage & its application. With this objective in mind, PCAM once again is conducting this program to prepare members for the coming PAL/APAL exam on **2 April'08**.

PCAM requires all to register first before the course can be conducted at PCAM. Closing date for registration is **8 Mar.'08**. **Do register early as the seats are limited to 37 pax only. PCAM looks forward to member's participation organized for You!**

Best Regards,
Androo Sung
PCAM Education & Training Manager
22 February,2008
